

The Canadian Society of Medical Evaluators exists to serve Canadian physicians and other health care professionals who perform medicolegal evaluations of claimants or as a professional service to the legal profession, employers, workplace safety and insurance boards, workers compensation boards, Canada Pension Plan, CSST and/or the insurance industry, and who rely upon evidence-based medicine, best medical practices, and other practice guidelines.

Knowledge and Expertise:

- Provide a forum for the sharing of knowledge, experience and ideas amongst Canadian medical evaluators.
- Assist physicians who wish to develop the skills and expertise necessary to providing professional quality medico-legal services.
- Advise the medical profession at large, as well as other professions, organizations and government agencies, on all matters regarding medical evaluations.

Education:

- Provide education regarding third party independent evaluations through seminars, workshops and podcasts.

Standards:

- Unite into a single organization all Canadian practitioners who are committed to the highest possible professional standards in the performance of third party medical evaluations.
- Advance the interests of members by developing and publishing appropriate standards, guidelines and positions related to practical, professional, ethical medico-legal work.

Advocacy:

- Available as an expert body for consultation by other organizations and government agencies on all matters concerning medical evaluations in Canada.

Referrals:

- To assist the legal profession and insurance industry in locating physicians with suitable expertise, who are regionally available and interested in offering their services.

Networking and Communications:

- Provide an opportunity to meet colleagues and share best practices.
- Communicate newsworthy information to members from across the country through the CSME newsletters and the CSME website.
- Provide CSME pamphlets to educate your clients on what an independent assessment is and our positions on various issues relevant to the practice of independent evaluations such as surveillance and chaperoning.
