

# CSME NEWS

*April 2005*

## Conference Update

The Education Committee of CSME has been hard at work since the New Year! We have held three extremely well attended and informative sessions. The first was a breakfast session, held on January 21<sup>st</sup>, entitled "*A Post-DAC Update*". This session delivered breaking news developments to the attendees. The February 11<sup>th</sup> conference, "*IMEs: A Critical Appraisal*", was standing-room only! A very comprehensive program was presented. Our most recent conference, "*Psychiatric Disabilities in the Workplace*", attracted delegates from not only all over the province, but from various parts of the country as well. These conferences strongly indicate the need that CSME is fulfilling in providing high caliber education to both members and non-members. If you are interested in assisting in planning future sessions, please contact the CSME office.

For further information about these events, call 416-487-4040 or [info@csme.org](mailto:info@csme.org).

## Annual General Meeting

Hold that Date! Please plan to attend the upcoming Annual General Meeting which will be held at the Ontario Bar Association at 7:30 p.m. 20 Toronto Street, Toronto, ON. If you are interested in serving on the Board of Directors, please contact Dr. Alfred Margulies as soon as possible.

## Member Publications

We would like to hear from you! We are aware that a number of our members have authored publications that would be of interest to our members and others in the health, legal, insurance and allied professions. Please provide specific information to us about your publication(s) for inclusion on the CSME website.
